b24 COACHBIKE

On content-driven cardio machines from Freemanotion, your members can explore the world through thousands of coach-led workouts, right from the cardio floor. Powered by iFIT, the 24 SERIES keeps users engaged with vivid imagery, motivational coaching, and auto-adjusting technology that delivers an immersive and interactive cardio experience.

b24 COACHBIKE

HIGH-DEFINITION DISPLAY

Immerse yourself in visually stunning imagery while working out in exotic locations around the globe on this high-definition 24in / 61cm capacitive touchscreen.

STREAM WHILE YOU SWEAT

We've added streaming services you can watch or listen to while working out. Catch up on your favorite shows while logging the miles or listen to your favorite playlist for an added boost.

GLOBAL WORKOUTS

Explore the world without leaving the room with thousands of inspiring training videos beautifully filmed in stunning locations around the globe, including 40+ countries and all 7 continents. Your bike's incline/decline will even adjust to match the terrain and instructions of your coach.

AUTO-ADJUSTING TECHNOLOGY

Each interactive workout allows your coach to remotely adjust the incline, decline, or resistance of your bike to mirror the on-screen content, creating an immersive and engaging training experience.

IMMERSIVE CYCLING EXPERIENCE

Cycle stunning locations around the world as your bike immersively inclines up to 20% during hill climbs and declines to -10% for breathtaking mountain descents.

A SMOOTH AND EFFECTIVE WORKOUT

This maintenance-free Gates Carbon Drive System delivers the same quiet, smooth ride that a belt drive provides, with the strength and production of a chain. When combined with the efficiency and performance of a fixed wheel and the most engaging content available, it provides the ultimate riding experience.

MAXIMUM PERFORMANCE

The dual-sided pedals accommodate both high-performance SPD cleats and traditional fitness footwear to maximize your power and your performance results.

CUSTOMIZE YOUR RIDE

With hundreds of seat and handlebar configurations available in seconds, the CoachBike can quickly adapt to a wide variety of riders.

A COOL WORKOUT

Stay cool throughout the workout with a conveniently-located 3-speed fan, or select the AutoBreeze™ function to enjoy a variable flow that responds to your effort.

WIRELESS CHARGING, SIMPLIFIED

Say goodbye to messy cords. Our new wireless charging platform is designed to align your phone perfectly with the charging coil, delivering fast, reliable power every time.

BEST-IN-CLASS EGYM INTEGRATION

EGYM

EGYM Coach delivers personalized fitness plans that sync directly to your machine, combining intelligent Trainer Prescriptions with iFIT's rich workout library for a seamless, premium experience far beyond basic 3 or 5 star integrations.
