

RATCHET[™] LEG LEVELERS & TOOL TRAY NOW AVAILABLE ON 17', 22' AND 26'

1. MULTI-POSITION LADDER

Multi-position ladder easily converts to A-frame, extension, 90-degree, staircase and trestle-and-plank* scaffolding configurations.

2. TOOL TRAY[™]

Keep it close, keep it organized, and keep it quick. The Tool Tray is packed with features designed for speed: a magnetic tray, a drill compartment, slots for screwdrivers and puddy knives, friction locks for multiple can sizes and more.

3. RATCHET[®] LEG LEVELERS

Integrated Ratchet leg levelers adjust independently to meet uneven terrain for a safer, more level climb.

4. ROCK LOCK[®]

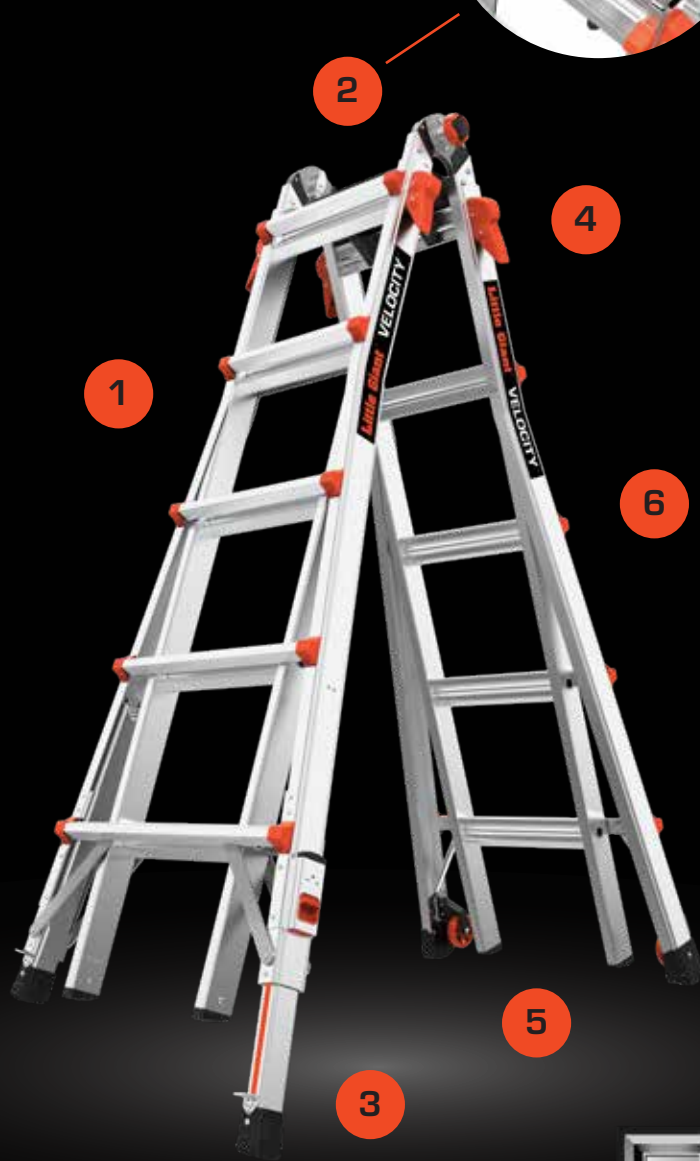

Easy-to-use Rock Lock[®] adjusters move the inner section of the ladder to the height you need.

5. TIP & GLIDE[™] WHEELS

Tip & Glide[™] wheels allow for smooth ladder transportation.

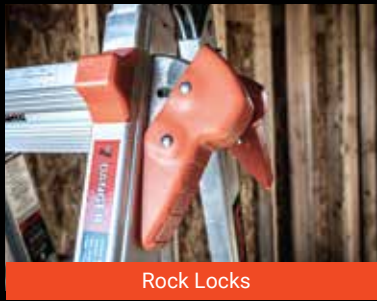

6. TWO-PERSON STEPLADDER

Meets or exceeds all OSHA and ANSI standards. In A-frame position, it holds 300 lbs on both sides.

A-Frame

Rock Locks

Ratchet Leg Levelers

Extension
