

2021 HIGHLANDS 41 PASO ROBLES CABERNET SAUVIGNON

Region/Vintage Notes

Our 2021 Highlands 41 Cabernet Sauvignon is actually a single vineyard wine from our Creston Highlands Vineyard in the Paso Robles appellation. This is a stunning, steeply terrained site located along the rolling hills of the northeastern section of the Creston District AVA. Soils here are derived from calcareous marine deposits, which we know from the fossilized shells found on the property. These low vigor soils combined with afternoon breezes that flow through the Templeton Gap are typical of the Creston District AVA, a well-regarded sub-appellation known for red Bordeaux varietals. In 2021 we harvested healthy Cabernet Sauvignon grapes with intense fruit concentration.

Winemaker/Tasting Notes

Aged in small oak barrels for 10 months, this deeply colored Cabernet Sauvignon exhibits a fountain of blueberry, blackberry and other mature fruits that give the wine a rich, concentrated mouthfeel. Round on the mid-palate, the wine has soft, well-integrated tannins, balanced acidity and a spicy finish that lasts and lasts.

Sustainability

Sustainability is our top priority. Our Paso Robles and Monterey vineyards are certified sustainable by CSWA. At our certified sustainable Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
