

CLARITY™ GLASS WHITEBOARDS

Inspire. Create. Present.

CLARITY™ GLASS WHITEBOARDS

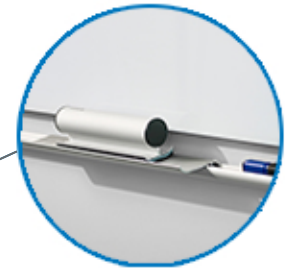

FEATURES

- Premium glass dry erase surface features cutting edge design and functionality
- Arctic White backing which makes writing "pop" and highly visible
- Modern frameless design "floats" off wall, suitable for any location
- Markers glide across the surface which never stains nor ghosts
- 1/4" tempered safety glass resists staining and ghosting
- Clip-on eraser or marker tray included
- Available in magnetic boards for collaboration

Sized for personal space or interior signage, Clarity™ Glass is the ultimate high performance smooth writing surface for dry erase markers. A seamless design, Clarity™ floats from wall with steel stand-off posts. Tempered safety glass with Arctic White back coating for high contrast to any wall color. All Iceberg products are backed by a 15 year manufacturer's limited warranty.
