Limitation of Liability: The supplied materials should be thoroughly inspected immediately upon receipt by the recipient for all content, placement and copy accuracy. It is also the responsibility of the recipient printer to examine and proof read all supplied materials before producing mass carriers and printing final product. The supplier materials are bound to be correct unless contact an SGS representative immediately. The liability of SGS shall be limited to correcting its own product. SGS will not be responsible for any loss or damage resulting but not limited to the cost of product, print, image carriers, press delays, or other ancillary costs.
