

Heitz Cellar

2021 Martha's Vineyard Cabernet Sauvignon

OAKVILLE

NAPA'S FIRST SINGLE VINEYARD DESIGNATED WINE

Since 1966, Heitz Cellar has been crafting the illustrious Martha's Vineyard Cabernet Sauvignon. A bastion of classical winemaking tradition, the wines of Heitz Cellar are some of the longest-lived in all of Napa Valley. This storied vineyard in western Oakville is CCOF certified organic and farmed using biodynamic practices.

"The wine is just gorgeous. Flavour-packed and expressive, it is likely going to outlive most of us. It is a wine you can drink 90 to 100 years from now, mark my words."

JONATHAN CRISTALDI, DECANTER

"The 2021 Cabernet Sauvignon Martha's Vineyard is a classic wine off this site. It has such a distinctive aromatic signature, and then tremendous depth that just builds in the glass. Succulent dark cherry, pomegranate, spice and mint. The 2021 is a seriously beautiful, regal Cabernet."
