

SINK DRAIN, SHOWER, SUPPLY LINE AND TUB WRENCHES

**Remove stubborn,
corroded tub drains**

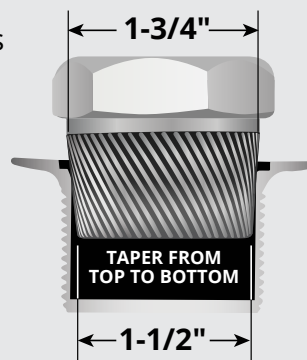

**Superior Tool
EXCLUSIVE
PATENTED**

**Tub Drain Extractor™**

**Turn a difficult, time-
consuming repair
into an easy
"tap and removal"**

- Removes most stubborn, "frozen" tub drains
- Knurled teeth "bite" into the drain for a secure hold and removal
- Use with a 1/2" drive ratchet or wrench
- Hardened steel for durability
- Plated for corrosion resistance
