Kodiak Magnum

Modeled after the original, famous Kodiak bow, the Magnum was first introduced in 1961 as a bowhunter's dream due to its short length and ease of maneuverability. The nimble, versatile design struck a chord with hunters who value its blend of agility and power. For 2022, the Kodiak Mag celebrates its 60th anniversary and receives a new look.

Overlaid clear maple limb cores, backed and faced with high-strength grey fiberglass
