Strong. Durable. Multi-purpose.

OFFICEWORKS™ COMMERCIAL WOOD LAMINATE

FEATURES

- Wear-resistant 3/4" thick Melamine top
- Heavy-duty leg supports and gravity lock
- Melamine sealed underside to prevent moisture absorption
- Full perimeter steel skirt support with plastic corners to protect surface when stacking
- 1" diameter, heavy gauge, steel legs with heavy-duty protective foot cap
- 1,000 lbs. weight capacity when evenly distributed

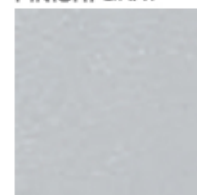

Strong and durable, this multipurpose table expands work space in the office and provides extra seating in schools, banquet halls, homes and cafeterias. The wear resistant, melamine laminated 3/4" surface, features a sealed underside that repels moisture, spills and resists hot and cold temperatures. Sturdiness is ensured by the heavy duty leg supports and gravity lock. The bullnose, charcoal vinyl T-mold edge protects top from accidental damage. Full perimeter steel skirt support with plastic corners protects surface when stacked in storage. Legs are 1" diameter, heavy gauge steel with heavy duty foot caps to protect flooring. All Iceberg products are backed by a 15 year manufacturer's limited warranty.
