

KIDS™ KINCOPRO™ BREATHABLE LIGHT-DUTY BLUE SYNTHETIC

Style No. 2009

- 1

Breathable blue vented polyester fabric back-of-hand combines breathability with functionality for continuous comfortable wear
- 2

Gray suede synthetic leather provides flexible, long-lasting palm protection
- 3

Easy-On™ cuff with shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- 4

Pull-tab on cuff helps reduce stress on wrist seams when pulling gloves on & off
- 5

Gray pieced fabric hem incorporates an added piece of material, which creates a finished look & prevents fraying
- 6

Wrap-around index finger design creates increased durability & comfort, & ensures that the high-rub areas on the exterior of the finger are not compromised by potential thread or seam failures
- 7

Fourchette finger design allows for the natural extension & contraction of finger movement
- 8

Gray suede synthetic leather patches at the distal end of the fingers provide a protective barrier around the fingernails & fingertips, which reinforces the base material & seams for added wear
- 9

Rhombold™ thumb incorporates a gusset in the saddle of the hand, which allows the thumb to move more freely & eliminates common pinch points & bunching
- 10

Touch-screen compatible patch on index finger knuckle provides convenient access to devices while protecting hands

KINCO®

FEATURES

-  Breathable
-  Touch Screen
-  Washable
