

CORE

MODENA

ISLAND

Modena island's low profile stainless steel and airy glass canopy resemble a floating island over your cooktop or range. A perfect blend of architecture and performance the Modena island includes the exclusive Quick-Lock

installation system with magnetic duct covers and our DCBL™ and ACT™ technology, the most advanced systems available today. Now available with an optional wireless remote control.

*Mounting height refers to distance between top of a 36" tall cooking surface and bottom of hood.

DCBL Suppression System® offers up to 77% less noise, up to 30% more CFM, and up to 77% more energy efficiency for the most advanced range hood technology.

AIRFLOW CONTROL TECHNOLOGY™ (ACT™) is an exclusive feature built into specific Zephyr hoods which can limit the maximum blower CFM to meet local code requirements.
