TWO TIMES OAK
BY DIXON DEDMAN

THE ICON SERIES: THE VINYL BLEND

THE VINYL BLEND IS THE SIXTH SMALL BATCH BLEND RELEASE IN THE ONGOING 2XO ICON SERIES.

The Icon Series is the heart of the 2XO brand. They are a series of limited time offers, small batch releases. Each blend is different and bears its own name and symbol, inspired by something in Dixon's life. The Vinyl Blend is an ode to Dixon's love for enjoying his favorite music on classic vinyl paired with a 2XO neat. This release will never be duplicated. Once it's gone, it's gone!

REASONS TO BELIEVE

PROVEN BLENDER

- Dixon was initially known for his award-winning high-proof, robust Kentucky Owl bourbon and rye blends.
- 2XO, meaning Two Times Oak, is the blending process Dixon pioneered where every 2XO expression has additional oak exposure. It's the only brand with double oak exposure across every expression.
- The additional oak interaction builds the sweetness to balance out the spice that comes from the rye in our mash bills, creating a unique flavor profile in a crowded bourbon space.

THE ICON SERIES:

- **The 2XO Icon Series is a one-of-a-kind blending approach, where Dixon has access to two proprietary Kentucky Straight Bourbon Whiskey (KSBW) mash bills. One is a moderate rye 18% bourbon mash bill and one is high rye 35% bourbon mash bill.**
- He double barrels 6-plus-year-old KSBW of the high rye bourbon mash bill into new charred oak barrels with both #3 and #4 char levels (minimum time in new barrels is 6 months).
- This gives him 4 components with which to blend The 2XO Icon Series releases —low rye bourbon, high rye bourbon, double-barreled high rye bourbon #3 char, and double-barreled high rye bourbon #4 char.
- No other major player in the industry is blending different distillates from different producers with different mash bills to create unique blends. This differentiation is only accentuated when Dixon double-barrels these proprietary barrels.
