Continental CBL36-1 Linear Gas Fireplace

Continental's newly updated, linear gas fireplace is perfect for builders and homeowners alike. With the newly designer slim front options available in black and stainless steel and a multitude of optional features, this unit can be dressed to match an existing room decor or can be stylized to be a focal point in your room. The CBL36-1 comes standard with an exclusive Topaz CRYSTALINE™ ember bed that can be switched out for a completely new look and feel with the Shore Fire, Beach Fire and Mineral Rock kits, which include a variety of rocks, sand, logs and vermiculite.

Competitive Advantages

- Clean face design with high quality safety barrier included
- Electronic Ignition with Battery back-up
- Optimized Burner Performance (for all vent and fuel configurations)
- Simplified installation (steel header no longer required)
