MASK 2023 GSM PASO ROBLES

TASTING NOTES

Mask is mysterious, magnetic, and built around Mourvèdre's quiet power-earthy, soulful, and slightly wild. Grenache and Syrah play supporting roles, lifting the fruit and adding whispers of warmth and spice. It's a wine that evolves in the glass, revealing more the longer you sit with it.

WINEMAKING NOTES

Syrah is aged 18 months in 80% new 228L French oak barrels while Mourvèdre and Grenache are aged in French oak barrels with varying levels of new oak. The wines are blended into Mask and Smoke then bottled unfined and unfiltered with no racking.

TASTING NOTES

Smoke is brooding and beautiful. Syrah leads the way with dark fruit, cracked pepper, and a hint of wild earth, while Grenache adds bright red plum and Mourvèdre deepens the mood with savory spice and structure. It's layered, textural, and unapologetically bold; a wine with presence.
