

ABOUT MADDALENA

Maddalena Wines is the namesake of the Riboli Family matriarch – Maddalena Riboli. Her story is one of resilience and perseverance. Born in 1922 in Piedmont, Italy, Maddalena Riboli immigrated to America when she was seven years old and was instrumental in the growth and success of Riboli Family Wines and San Antonio Winery. These wines reflect Maddalena's strength and elegance, and we are proud to have her signature on every bottle.

APPELLATIONS / TERROIR

RANCHO SOLEDAD

Rancho Soledad Vineyard, named after the nearby Soledad Mission founded in 1791, is located in the cool Monterey appellation. This region's morning fog, afternoon breezes, and decomposed granite soils contribute to ripe fruit flavors, balanced acidity, and natural minerality in the wines.

Wines: Pinot Grigio, Chardonnay

SARMENTO VINEYARD

Sarmiento Vineyard, located in the Santa Lucia Highlands of Monterey, is named after an original Spanish land grant family. The Pacific Ocean's maritime influence provides morning fog and afternoon winds, ideal for Burgundian varietals. The vines, planted high on southeast-facing terraces of the Santa Lucia Mountains, overlook the Salinas River Valley.

Wines: Chardonnay

STEFANO VINEYARD

Our Stefano Vineyard, located in the prestigious El Pomar District AVA of Paso Robles, features steep hillsides with unique, multicolored rocky soils. Warm days and cool afternoon breezes from the Pacific Ocean via the Templeton Gap ensure both ripeness and freshness in the wines.

Wines: Rosé, Cabernet Sauvignon

MADDALENA VINEYARD

Located in the El Pomar AVA of Paso Robles, this is a prized vineyard featuring a variety of well-drained, rocky soils and a warm climate tempered by cool afternoon and evening breezes. Paso Robles' unique calcareous soils are very uncommon in California, giving the wines freshness and minerality.

Wines: Rosé, Cabernet Sauvignon, Merlot

RIBOLI CRESTON VINEYARD

The Creston District of Paso Robles. This property's rolling hills, and bird sanctuary lake create a truly breathtaking, majestic vineyard estate. The well-drained Arbuckle-Positas soils and pure water produce an amazing terroir with warm days and cool nights producing fruit with great structure.

Wines: Rosé, Cabernet Sauvignon, Merlot

CRESTON HIGHLANDS

The Creston Highlands Vineyard is located along the rolling hills of the northeastern section of the Creston District. Soils are derived from calcareous marine deposits, as revealed by the fossilized shells found on the property. The steep terrain in conjunction with these soils is very unique to this AVA.

Wines: Cabernet Sauvignon
