Attention: If you are using an electric screwdriver in the assembly, please set at low torque and do not over tighten the hardware. When assembling individual parts, loosely tighten screws until all screws are inserted, then tighten completely.

Assembly Instructions

NOTE: We recommend that two adults work together to assemble this game.

Step 1

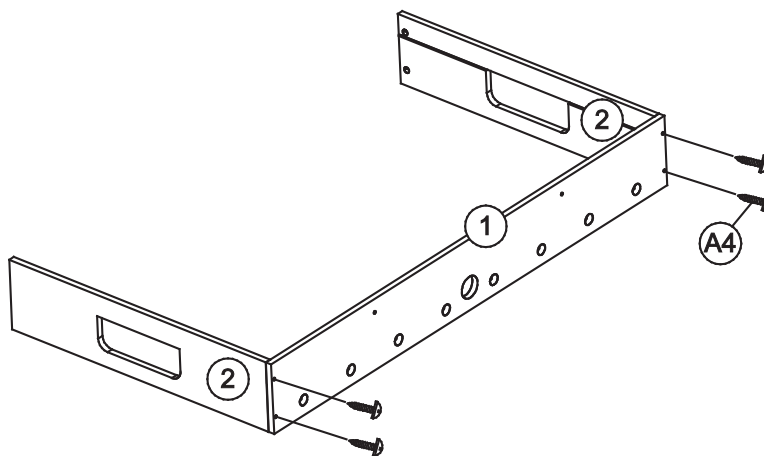

Find a clean, level place to begin the assembly of your Soccer Table. The table will be assembled upside down and then turned over on its legs once the assembly is completed.

Step 2

Remove all the parts from the box and verify that you have all of the parts as shown on the parts list above. Carefully cut or tear the four corners of the box so that the bottom of the box can be used as your work surface.

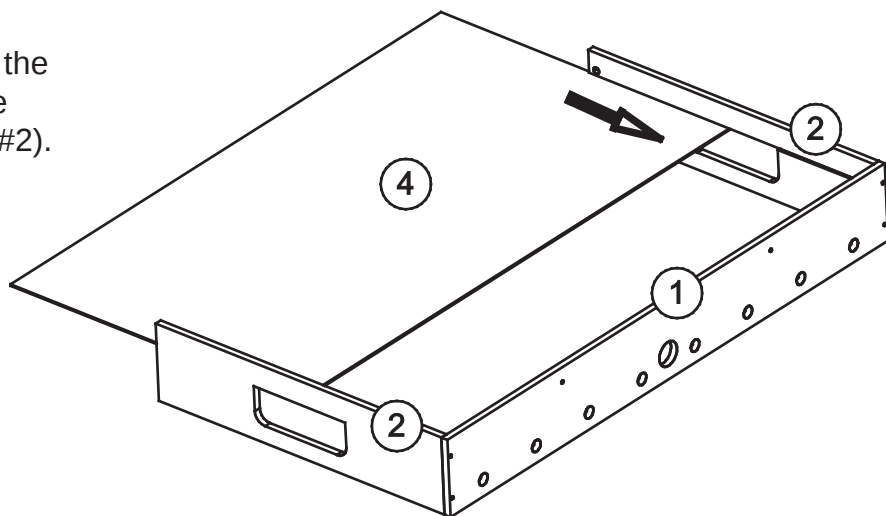

Step 3

Attach the Side Apron (#1) to the End Aprons (#2) using two Screws (#A4) per End Apron.

Step 4

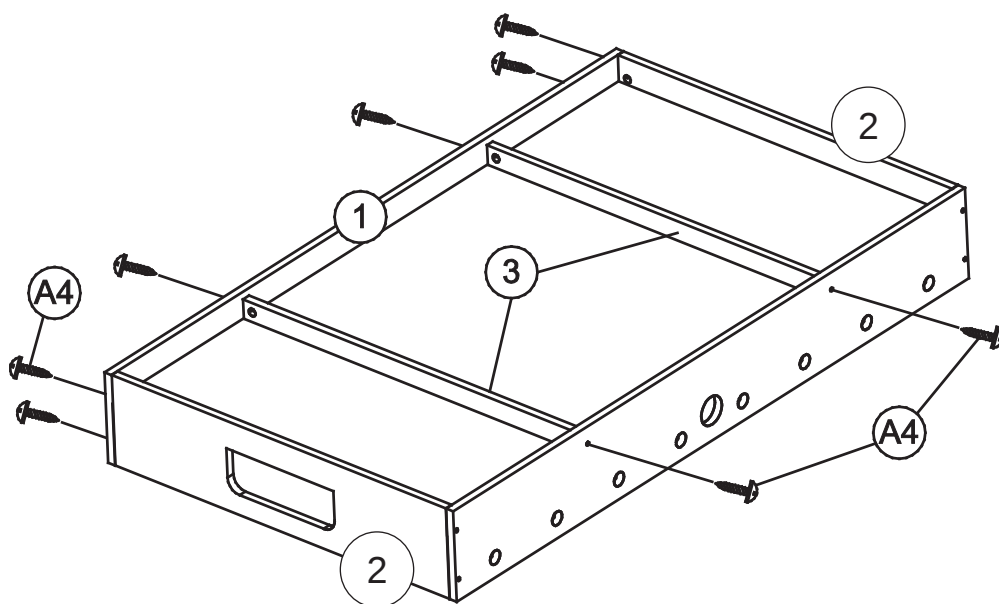

Slide the Playfield (#4), with the graphic facing down, into the grooves of the End Aprons (#2).

Step 5

Now attach the other Side Apron (#1) to the End Aprons (#2) using two Screws (#A4) per End Apron. Place the Support Braces (#3) on the Playfield (#4) and attach them to the Side Aprons (#1) using two Screws (#A4) per Brace.

Turn the Cabinet over.

Step 6

Slide the empty Rods (#29, 30, 31) through the Rod Bushings (#P1), which are the plastic sleeves in the Side Apron (#1). Be sure to insert the empty Rods (#29, 30, 31) on only one side of the Side Apron (#1) in the order shown in 4A, as this will determine how many players will attach to each rod.

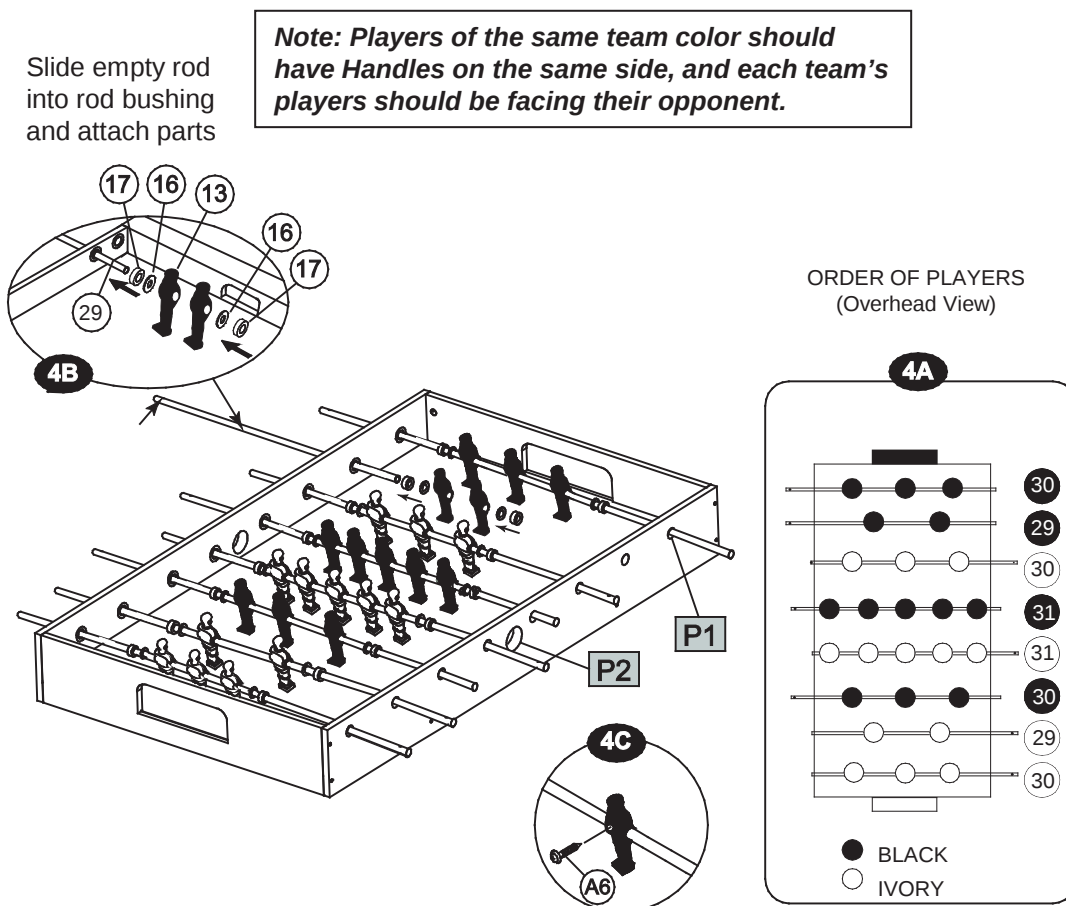

Note: The player Rods have a hole at their end where the Handles (#18) will go.

Insert the players onto the empty Rods (#29, 30, 31) by pulling the empty rod back toward the Rod Bushing (#P1) and inserting a Rod Bumper (#17), Rod Washer (#16) and the appropriate number of Players (#13 or #14) followed by Rod Washer (#16) and Rod Bumper (#17) as shown in 4B.

Now insert the end of the rod through the Rod Bushing (#P1) on the other side of the Side Apron (#1).

Secure the Players (#13 and #14) which you have attached to the Rods (#29, 30, 31) using one screw (#A6) as shown in image 4C.

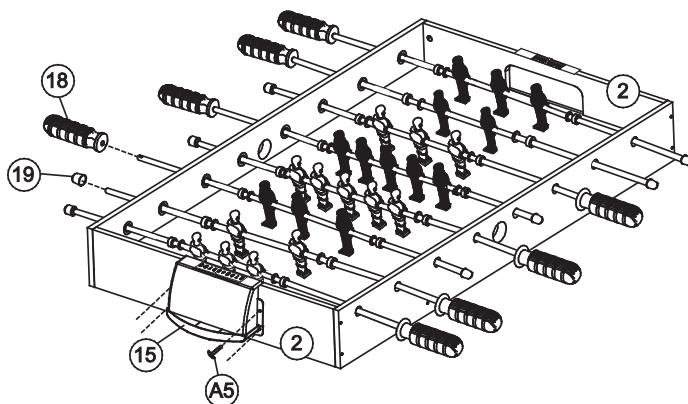

Note: The goalie should be at the left side of each player.

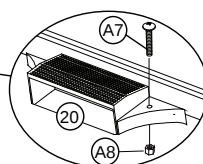

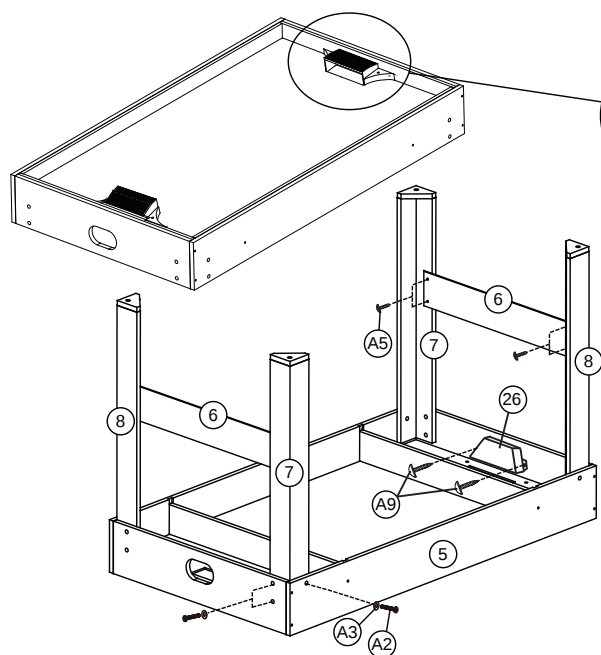

Step 7

Attach the Goal Boxes (#15) to the End Aprons (#2) using four Screws (#A5) per Goal Box.

Place the Handles (#18) onto the Player Rods with a hole at their end. Then place the End Caps (#19) onto the other side of the Player Rods.

Step 8

Attach the Goals (#20) to the end of playfield using two Bolts (#A7) and Nut (#A8) per Goal.

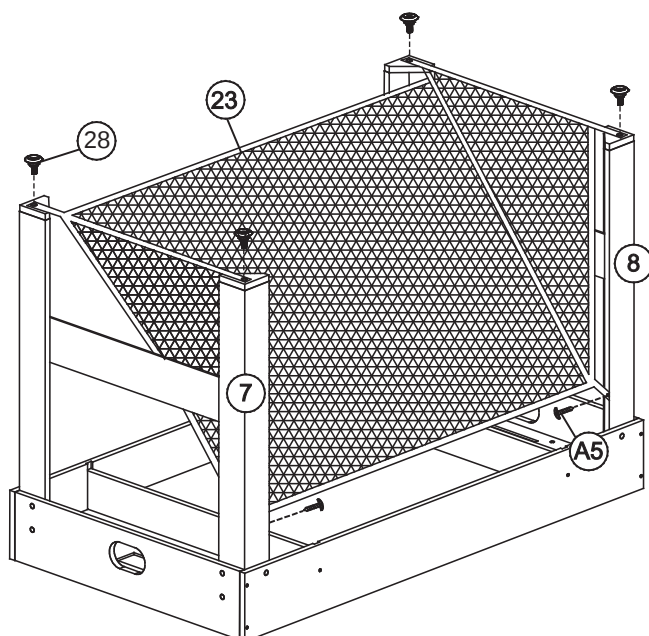

Attach the Left and Right Legs (#7 and #8) to the Foosball Main (#5) using three Bolts (#A2) and three Washers (#A3) per leg.

Attach the End Leg Braces (#6) to the Legs using four Screws (#A5) per End Leg Brace.

Attach goal boxes (#26) to the end apron, using two screws (#A9) per goal box.

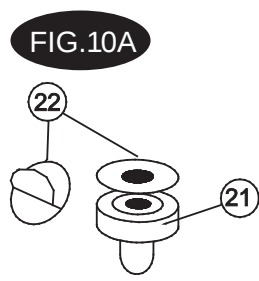

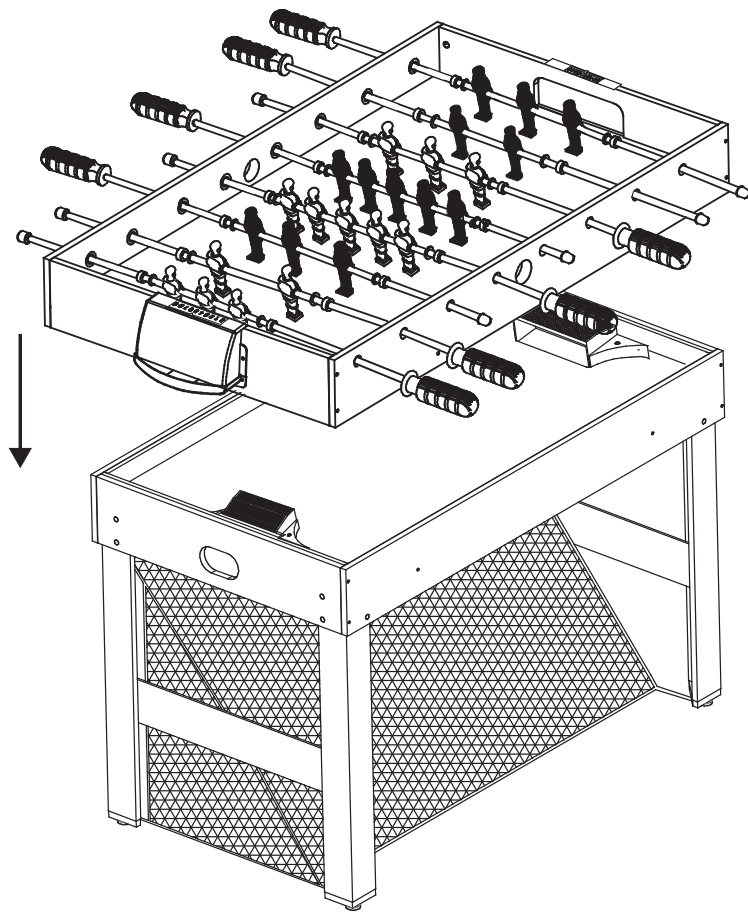

Step 9

Attach the Net (#23) to the Legs (#7 and #8) using one Screw (#A5) per Leg, and attach the Net to the bottom of the Legs using the Leg Levelers (#28).

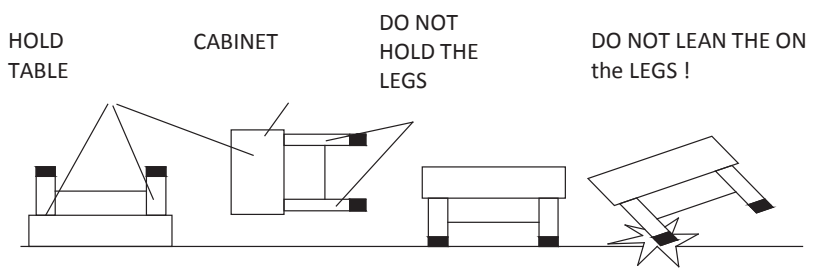

Step 10

Lift the assembled table from the floor with at least two strong adults, turn it over, and set the table on its legs in the location where you want to play.
