

2021 MADDALENA PASO ROBLES CABERNET SAUVIGNON

Region/Vintage Notes

Our 2021 Maddalena Cabernet Sauvignon come from our estate grown vineyards in both the El Pomar and Creston districts of Paso Robles. Small lots are picked and fermented individually with minimal intervention to allow the true expression of the soil and climate. The 2021 vintage is one of the best coming out of Paso Robles in the last few years. With moderate heat and low rainfall, 2021 yielded smaller crops and berries with outstanding quality and more concentration in the fruit.

Winemaker /Tasting Notes

This vintage is filled with ripe fruit flavors, including dark plum, and spicy black cherry. Followed by notes of vanilla, caramel, and oak spice contributed from barrel aging. The mouth is round with a rich, silky texture that is framed by soft tannins. This wine is well rounded and well-balanced, making it a perfect pairing for almost any meal.

Sustainability

Sustainability is our top priority. Our Paso Robles and Monterey vineyards are certified sustainable by CSWA. At our Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
