Varietal: Moscato

Alcohol: 12%

Natural Grape: 100%

pH: 3.5

Residual Sugar: 11.0 g/100 mL

After San Antonio Cardinale's success in 1967, the Riboli family decided to create San Antonio Villadouro, a semi-sweet white wine with natural honey and peach flavors that originate directly from Muscat grapes. With balanced acidity and lovely floral aromas, San Antonio Villadouro is perfect for any time of day. Made from 100% natural grapes and fermented naturally.

Pair with flavorful foods like savory pancakes, salty snacks, spicy curries, or enchiladas. Serve slightly chilled and enjoy!
