

ABOUT THE BRAND

Maddalena Wines is the namesake of the Riboli Family matriarch – Maddalena Riboli. Her story is one of resilience and perseverance. Born in 1922 in Piedmont, Italy, Maddalena Riboli immigrated to America when she was seven years old and is the cornerstone of the Riboli Family Wines and San Antonio Winery. These wines are a reflection of Maddalena's strength and elegance, and we are proud to have her signature on every bottle.

WINEMAKING TEAM

With over 60 years of combined experience, our winemaking team is comprised of Anthony Riboli and Marty Spate. With the use of 100% estate-grown fruit, we are proud of the quality that goes into every bottle of Maddalena wines.

SUSTAINABILITY

Sustainability is our top priority for the family. All of our Paso Robles and Monterey vineyards are certified sustainable by CSWA. These efforts include cover crops and livestock to maintain soil health and drip irrigation to reduce water usage. At the Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
