

SAN SIMEON

RESERVE TIER

2022 RESERVE CABERNET SAUVIGNON PASO ROBLES

REGION / VINTAGE NOTES

Crafted from the most distinguished blocks of our estate vineyards in Paso Robles, the 2022 San Simeon Reserve Cabernet Sauvignon reflects the unique character of these exceptional sites. Rocky soils and a favorable microclimate contribute to consistently high-quality fruit. The 2022 vintage benefited from mild conditions, steady temperatures, and low rainfall, resulting in even vine development and a balanced harvest. This Reserve Cabernet showcases concentrated, ripe flavors and a firm structure, true to Paso Robles' fruit-driven profile.

WINEMAKER / TASTING NOTES

Our 2022 Reserve Cabernet Sauvignon is aged for 24 months in 100% New French oak, allowing the wine to develop rich complexity. Only the finest grapes are handpicked from small lots and fermented individually with minimal intervention, preserving the unique vineyard expression. The wine greets you with captivating aromatic profile of jammy, sweet red fruits. On the palate this wine is fruit-forward with a touch of minerality and notes of caramel that add depth. The finish is long and lingering, with big tannins that provide structure and balance.

SUSTAINABILITY

Sustainability is our top priority. Our Paso Robles and Monterey vineyards are certified sustainable by CSWA. At our sustainable Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
