

Slant7 with TERMINATOR Technology

Kills odors at the source

The slanted design prevents urine splash and patented fragrance kills the source of odors for a more hygienic facility.

Freshens for 30 days

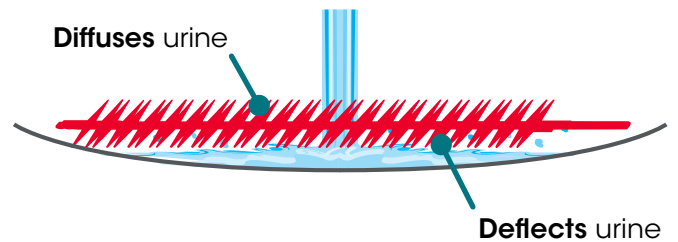

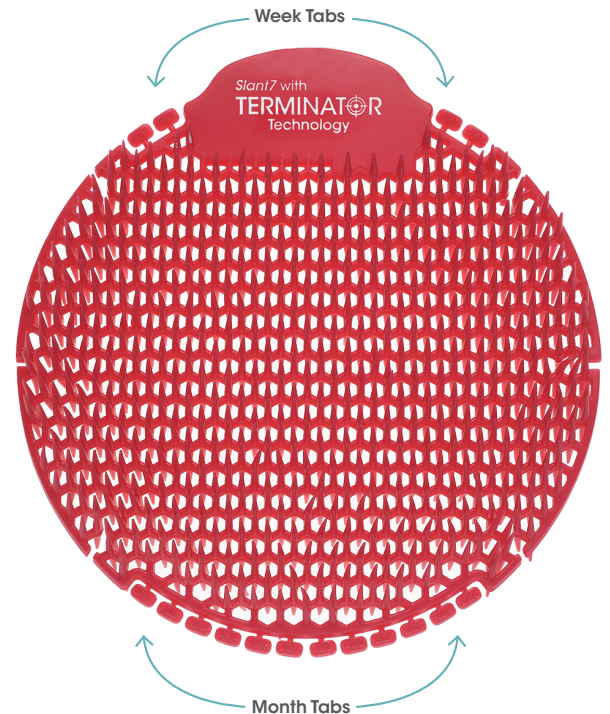

Consistent 30-day fragrance release with 3-5x the fragrance load of competitors.

Error-free installation

Reduces splash on either side keeping urine off the floor for less cleaning.

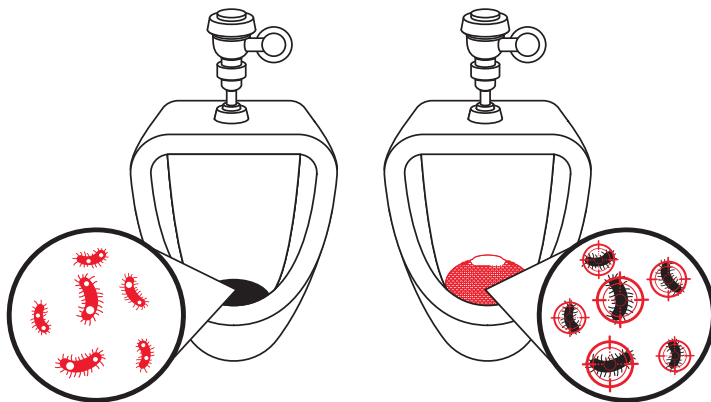

Replacement Reminder System

Pull the week tab and month tab to show when to replace.
