

Terminator

Quat-based hard surface cleaner & deodorizer

Terminator is a quat-based liquid formulated with benzalkonium chloride for effective cleaning and deodorizing. Terminator is ready-to-use and destroys odors on contact.

Versatile

All-purpose cleaner & deodorizer eliminates almost all odors on contact on a wide variety of surfaces in a ready-to-use formula.

Unique fragrance

The light clean fragrance lasts for a confident clean.

Eco-friendly

Formula is phosphate-free, readily biodegradable, and safer for the environment.
