For over a century, the Riboli family has carried its artisan winemaking tradition, creating some of the **best-selling wines** in the market. Looking for an opportunity to expand the flavored wine category, Paula and Ivana – Italian female winemakers specializing in quality management and new product development at Riboli Family Wines – sought out to craft a new varietal with **distinctive flavor profiles**.

**San Antonio Fruit Farm** is a new semi-sweet varietal with **dual fruit-forward flavors**. It was created for those looking to drink a **low alcohol, refreshing, natural fruit wine**.

To handcraft **San Antonio Fruit Farm Peach-Passion Fruit** wine, White Moscato grapes are harvested from our northern hillside vineyards in Piedmont Italy. Peach-passion fruit juice is then blended to create a delicate yet rich flavor profile. Whether at a family reunion or at an outdoor event, this wonderfully light, fruity, and sparkling beverage will complement any moment. Serve chilled with light snacks.
