

EMBODY THE VICTOR'S SPIRIT

ABOUT THE BRAND

Named for the famous thoroughbred racehorses that have been bred on the South Island of New Zealand, The Champion's freshness and streamlined acidity harkens to the same intensity those champion racehorses bring to the course. The wine symbolizes the harmony that exists between man and nature. Just as the jockey trains his steed, the Champion's winemaking team expertly trains their Sauvignon Blanc vines to produce the perfect grapes in the maritime climate of the South Island.

WINEMAKING TEAM

Grown in the rich alluvial Wairau plains in Marlborough, the stony, free-draining soils provide the ideal canvas for Sauvignon Blanc. Farmers for The Champion train the vines to produce smaller canopies, allowing for more direct sunlight exposure to the grape clusters. Cool ocean breezes help keep the vineyards dry and allow the berries to retain their signature acidity. Produced in a reductive style, free from oxidation, the wine is kept at cool temperatures once pressed and ferments in 100% stainless steel barrels. The resulting wine is light, bright, with high acidity—the perfect accompaniment for any occasion.
