SAFEST

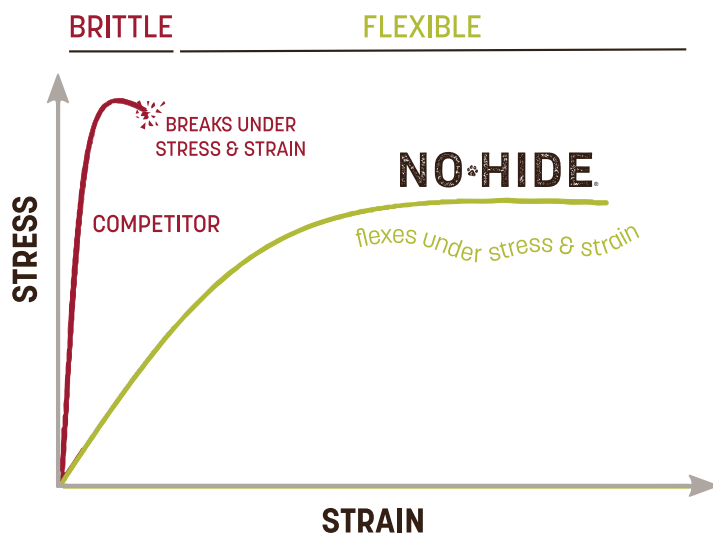

We pour our resources into research, development, and education to ensure a safe chewing experience for dogs and peace of mind for pet parents.

DIGESTIBILITY + FLEXIBILITY = SAFETY

Confirmed annually through 3rd party expertise, No-Hide delivers a chew that's gentle on the stomach and tough on safety.

EMPOWERING RETAILERS

Available on Earth Animal Academy since 2022, Chew School's science-backed safety messaging redefines chew standards, one bite at a time.

RIGOROUS TESTING

When it comes to brittleness, No-Hide beats the competition, ensuring wellness and enhancing enjoyment.
