SPECIAL EDITION

The Legit's broad adjustability and incredible value has made it one of the most sought after bows on the market today. For 2022, Bear Archery is bringing back the "Throwback" Legit as an exclusively model available only at Bear Authorized Dealers. The nostalgic throwback finish features Fred Bear Camo limbs with either an olive green or shadow black riser. The bow offers the same remarkable adjustability from a 14" to 30" draw length and from 10 to 70 lbs. draw weight. All adjustments can be made without the need for a bow press. The bow comes ready to hunt equipped with Trophy Ridge accessories – a Joker 4-pin sight, 5-Spot quiver, V-Biscuit, No-tie peep sight & D loop. The Legit weighs an incredible 3.8 lbs. and blasts arrows down range at 315 feet per second. The 2022 Legit's dual cam system provides a class leading smooth draw cycle.
