

# TECHNICAL DATA SHEET

## 2301 Ultra Sharp

**Premium masking tape for sharp painting lines.**

### Properties

- UltraSharp® technology for sharp painting lines
- balanced adhesion
- good tensile strength
- UV resistant

### Area of Use

- for indoor painting application on smooth and light rough surfaces
- do not use with solvent based coatings

### Technical Data

- Backing: crepe masking tape, saturated
- Thickness: 0,14 mm
- Adhesive: Rubber
- Adhesion to Steel: 3,4 N / 10 mm
- Tensile: 39 N / 10 mm
- Elongation: 8%
