Botanist

Unleash your love for nature by inviting a botanical feeling indoors.

Surround yourself with nature and be enchanted by its beauty; bring it inside to celebrate that the cycle of life and nature are fundamental to us. Floral prints and natural colors on textiles and interior complete the botanical feel which is so essential to us – it makes us happy to be surrounded by nature and its calm colors.

Cottage

Welcome togetherness in relaxed presence
embraced by calmness and slow living.

Enjoy the opportunity of creating a cottage feeling in every home – an eternal feeling that summer surrounds us, even as we move into autumn. Time feels slow as we spend time with those we love, and our homes envelop us in nuances of nature mixed with rustic interiors and a touch of nostalgia.
