Game Setup

GAME SETUP:

1. Playing Area - Select a flat open area. Target Boards should be 20' apart or about 7 paces from the front of each target. Allow children to set the distance with their own stride. The width of the court depends on the skill level of the players.
2. Game can be set up for singles or doubles.
 - 1 vs 1:** Both players throw to the same Target Board.
 - 2vs 2:** One member from each team will stand next to each board on opposite sides.

CAUTION

This is not a toy and is intended for use by or under the supervision of adults. Ensure the flight path is clear of people or pets when playing this game. Impact from flying washers could cause minor or moderate injury.

Game Play

Game Play

To determine who will throw first at the start of the game, each player/team will toss one washer toward the opposite target. Whoever gets closest or makes it into the center hole/5 will be the first to throw their washer. Players alternate tossing their washers until all 6 have been thrown.

Scoring

1. Scoring is based off what hole number the washer goes in. For example if it the washer goes in the middle 5 hole you get 5 points
2. Only one player can score per round
3. Washers cannot bounce from the ground
4. If at any time, a players' washer lands on the white pin, that is an instant winner for the team.

First team or player to reach **21 Points** wins. Compare your score to your opponents each round. Each team's points cancel each other out so only one team can score per round. For example if **Team 1** scores 8 points and **Team 2** scores 5, Team 1 adds 3 points to their score.

Optional Rules

Skunk Rule: The team that scores 11 points before the other team scores wins the game.

Exacta Rule: A team must score 21 points without going over. If a team goes over, their score goes back to 15 points.

Storage

1. Stack the washers onto the White Pins and slide the Cotter Pin (#7) until it locks in place. See **Figure 5 & Detail D**.

NOTE: Game can be played outdoors but must be stored indoors in a dry place.
