FRAME WITH LADDER FOR KIDS, NO BOX
SPRING NEEDED IN WHITE/NATURAL

SKU:

MG-0900-30-TTB-WHNAT-GG

UPC:

196861171680

- **CONVERTIBLE DESIGN:** Enjoy space-saving versatility with this twin-over-twin bedframe with a four-step ladder; Use as a traditional bunk bed or two twin beds that pair perfectly with the nightstands and dressers of our Dallas kids bedroom collection
- **CONVENIENT STRUCTURE:** While 6" mattresses are recommended, each frame is compatible with standard mattresses up to 8" thick; With slatted wooden bases, no box spring is needed; The lifted bed features 13" of underbed storage when separated
- **SAFETY FIRST:** Wood frame holds 500 lbs. static weight per bed with headboard and footboard on each, full-size guardrails on top and an anti-tipping mechanism that must be fixed to the wall for safety; Top bunk should not be used by children under six
- **ASSEMBLY AND CARE:** Ships in two boxes, so please confirm both boxes are present before assembly; Step-by-step instructions and tools are included; Maintenance is easy by wiping clean with a damp cloth
- **PRODUCT MEASUREMENTS:** Overall Size: 40.75"W x 81.25"D x 64.75"H; 40.25" Headroom (with 6" Mattress); Top Bed Overall Size (When Separated): 41"W x 81.25"D x 28.5"H; Top Bed Underbed Clearance (When Separated): 13"; Bottom Bed Overall Size (When Separated): 41"W x 78.75"D x 35.5"H; Bottom Bed Underbed Clearance: 1.75"
