## Certification Letter

Dear Certification Representative:

We are pleased to confirm that the Escape Belt with Escape Rope model below is certified by the Safety Equipment Institute, effective February 4, 2026. Annual certification testing was successfully completed on January 29, 2026 in accordance with the requirements of *NFPA 2500-2022 (NFPA 1983), Standard for Operations and Training for Technical Search and Rescue Incidents and Life Safety Rope and Equipment for Emergency Services*.

<u>SEI Ref. No.</u>	<u>Brand</u>	<u>Model No.</u>
RHH MSA 05	MSA	7-2992-1 - G1 Rescue Belt II - Escape Belt available in waist sizes ranging from 36 in. to 59 in. Constructed with either an aramid or aramid/nylon rope and descender (in lengths of 50 ft. and 75 ft.), with either a Crosby hook or carabiner attachment point connection (+). Additionally, a steel D-Ring is sewn to the waist belt in a fixed location (++).

(+) - Rope & Descender Assembly, p/n 7-2582-1, sold as replacement assembly only.

(++) - Certified for the purpose of work positioning only.

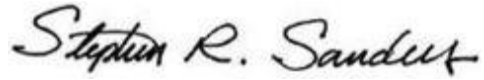

The SEI Certification Mark may be used in the marketing, packaging and promotion of the model detailed above, in accordance with the provisions of the *SEI Certification Program Manual*.

Per the *SEI Certification Program Manual*, SEI shall certify the manufacturer's product model(s) and grant the right to use the SEI certification mark when 1) the Testing Laboratory has determined that the product model submitted and tested successfully meets the appropriate product standard, 2) the Quality Assurance Auditor has determined that the manufacturer complies with SEI quality assurance requirements through an on-site audit, including a review of the quality manual and procedures, 3) the manufacturer has paid all fees, and 4) product liability insurance requirements are met.

Following initial certification, SEI conducts annual follow-up testing on samples which are selected by SEI during the annual quality assurance audit.

Thank you for your participation in the SEI Certification Program. If you have any questions, please contact the SEI Office.

Sincerely,

Stephen Sanders  
Technical Director

Rob Simmonds  
Program Manager
