BATH SAFETY

HERCULES SERIES TOOL-FREE AND QUICK ASSEMBLY, 300 LB. CAPACITY, ADJUSTABLE WHITE BATH & SHOWER STOOL

SKU:

DC-HY3400L-WH-GG

UPC:

889142563853

- **BATH AND SHOWER CHAIR:** Allows the elderly, post-surgical, or anyone who has trouble with mobility to safely and comfortably take a bath or shower and do their after shower care routines
- **NONSLIP RUBBER FEET:** Features nonslip rubber feet built into the ends of the sturdy frame prevent the bath chair from shifting for maximum security
- **EFFICIENT SEAT DESIGN:** Anti-slip seat with an adjustable seat height allows those who can't stand for long or have trouble reaching certain areas to comfortably sit while bathing and enjoy their showers a little longer
- **EASY TO CLEAN AND ASSEMBLE:** With an easy no-tool assembly, this portable shower chair sets up and takes down quickly for road trips, and it's easy to clean regularly to minimize build up with a water based cleaner
- **MEDICAL GRADE SHOWER CHAIR:** Measures 14.25"W x 14.25"D x 14" - 20.75"H and holds up to 300 lbs.; Conforms to ANSI/BIFMA standard X5.1-17 and is FSA eligible, making it great for medical facilities or at home use in any bathroom
