- **LUXURY IN LAYERS:** Commercial grade mattress with a combination of blended high density and memory foam layers over individually wrapped pocket springs provide a cozy, restorative nights sleep on most bedframes
- **ITS IN THE DETAILS:** A dreamy 14 mattress with layers of breathable knitted fabric, high density comfort foam, memory foam and pocket coils contour to every body type to provide pressure point relief and personalized comfort to each sleeper
- **SAFE SLEEP ENVIRONMENT:** Our mattress is manufactured for safe sleep, durability, and performance with high quality foam that is CertiPUR-US Certified for content so you can buy with confidence knowing your indoor air quality will not be compromised
- **EXPERTLY PACKAGED:** Our mattress ships compressed, rolled, and boxed in slim packaging for easy handling so simply unbox, unroll, and unpackage for an immediately safe sleep surface that fully expands within 48-72 hours
- **PRODUCT MEASUREMENTS:** Overall Size: 60"W x 80"D x 14"H
