- Use your walls as a canvas and allow your creative side to show with this complete 12" memory foam mattress and metal platform bed frame set. Eliminating a traditional headboard and footboard adds a sophisticated look and makes tidying up a breeze.
- MODERN: Minimalistic silhouette can be dressed up or down, works well in any bedroom décor, underbed storage reduces clutter
- DURABLE & LOW MAINTENANCE: Long-lasting solid steel construction with metal screw reinforcements supports up to 650 lbs. weight capacity, plastic glides protect your floors from damage, assembles in less than 30 minutes with the included tools
- COMFORTABLE & SUPPORTIVE: Motion reducing medium-firm 12 inch CertiPUR-US Certified memory foam mattress with individually wrapped pocket spring coils that support air flow and reduce joint pain
- PRODUCT MEASUREMENTS: Overall Size: 54.25"W x 75.5"D x 26"H
