BATH SAFETY

HERCULES SERIES 300 LB. CAPACITY ADJUSTABLE GRAY BATH & SHOWER CHAIR WITH QUICK RELEASE BACK & ARMS

SKU:

DC-HY3523L-GRY-GG

UPC:

889142563747

- **BATH AND SHOWER CHAIR:** Allows the elderly, post-surgical, or anyone who has trouble with mobility to safely and comfortably take a bath or shower
- **NONSLIP RUBBER FEET:** Features nonslip rubber feet built into the ends of the sturdy frame prevent the bath chair from shifting for maximum security
- **EFFICIENT SEAT DESIGN:** Textured surface of the seat ensures that patients aren't going to slip off while in the shower, and the shower seat includes drainage holes that allow soapy water to drain through for a better sitting experience
- **CUSTOMIZABLE SEATING:** Shower chair easily turns into a backless shower stool with quick release back and arm features, and the seat is easy to adjust with several height options built into the legs
- **MEDICAL GRADE SHOWER CHAIR:** FDA approved bath chair is constructed with a corrosion-resistant aluminum frame and can be sanitized with a water based cleaner, and the chair holds up to 300 lbs. static weight
