3 YEAR GUARANTEE

SBM-385H-GB

INSTRUCTIONS FOR USE:

1. Attach the Massage seat to almost any chair using the integrated strap located at the back of the cushion. Ensure it is held firmly in place by adjusting the strap as necessary.
2. Connect the power supply lead into a 220-240V mains outlet.
3. Once seated, use the remote control to operate the appliance. Press the  button to activate the control and select one of massage types detailed below.
4. For a gentler massage place a towel between your back and the massager.
5. Press the  button to stop the massage. The LED will blink while the massage mechanism returns to the starting point before switching off.

Demo mode

To sample the Shiatsu massage, press Demo button to cycle through all massage modes.

Shiatsu Massage:

1. : pressing this button gives a full Shiatsu massage up and down the back.
2. : pressing this button gives a Shiatsu massage focusing on the mid to upper back.
3. : pressing this button gives a Shiatsu massage focusing on the mid to lower back.
4. The   buttons allow you to target the massage to a specific area. Simply press either button to stop the massage mechanism on the desired spot. Use the buttons to move it up or down.
5. To revert to standard massage mode, reselect one of the 3 massage zone buttons.

NOTE: There is a 15 minute auto shut-off on this appliance for your safety. This feature should not be considered as a substitute for 'OFF'. Always remember to switch the appliance off when not in use. The moving Shiatsu mechanism always "parks" or finishes in its lowest position. It will continue to this position after the power has been turned off. If the electrical supply is interrupted, when power is restored, the mechanism will "park" or move to its lowest position.

MAINTENANCE:

Cleaning

Unplug the appliance and allow to cool before cleaning. Clean only with a soft, slightly damp sponge.

- Never allow water or any other liquids to come into contact with the appliance.
- Do not immerse in any liquid to clean.
- Never use abrasive cleaners, brushes, glass / furniture polish, paint thinner etc to clean.

Storage

Place the appliance in its box or in a safe, dry, cool place. Avoid contact with sharp edges or pointed objects which might cut or puncture the fabric surface. To avoid breakage, DO NOT wrap the power cord around the appliance. DO NOT hang the unit by the cord.

PRODUCT FEATURES:

MOVING DUAL SHIATSU MASSAGE MECHANISM

EASY STORAGE

Plug (MODEL SBM-385H-GB)

If the plug on this appliance is damaged, it can be replaced with a BS 1363 plug, fitted with a 3A BS 1362 fuse. Only use a 3 amp fuse with this appliance. Care must be taken when changing the plug. If in doubt, contact a qualified electrician.

**READ ALL INSTRUCTIONS BEFORE USE.
SAVE THESE INSTRUCTIONS FOR FUTURE
REFERENCE.**

- ALWAYS unplug the appliance from the electrical outlet immediately after using and before cleaning. To disconnect, turn all controls to the 'OFF' position, then remove plug from outlet.
- NEVER leave an appliance unattended when plugged in. Unplug from the mains outlet when not in use and before putting on or taking off parts or attachments.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- Do not place or store appliance where it can fall or be pulled into a bath or sink. Do not place in or drop into water or other liquid.
- DO NOT reach for an appliance that has fallen in water or other liquids. Switch off at the mains and unplug it immediately. Keep dry – DO NOT operate in wet or moist conditions.
- NEVER insert pins, metallic fasteners or objects into the appliance or any opening.
- Use this appliance for the intended use as described in this booklet. DO NOT use attachments not recommended by HoMedics.
- NEVER operate the appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to the HoMedics Service Centre for examination and repair.
- Keep cord away from heated surfaces.
- DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.
- DO NOT operate under a blanket or pillow. Excessive heating can occur and cause fire, electrocution or injury to persons.
- DO NOT carry this appliance by the cord or use cord as a handle.
- DO NOT use outdoors.
- DO NOT crush. Avoid sharp folds.
- This product requires a 220-240 V AC power.
- DO NOT attempt to repair the appliance. There are no user serviceable parts. All servicing of this appliance must be performed at an authorised HoMedics Service Centre.
- DO NOT sit or stand on the massage (back) part of the appliance. The unit should only be used when attached to a chair with the back in the vertical position.
- Never block the air openings of the appliance. Keep air openings free of lint, hair etc.
- Burns can result from improper use.
- Where fitted, the rear strap should only be used to hold the cushion in position against a chair back. It is not intended for any other use.
- Not recommended for use on wooden surfaces as the zipper may damage the wood. Caution is also recommended when using on upholstered furniture.
- Not recommended for use on leather furniture.
- Please ensure that all hair, clothing and jewellery are kept clear of the massage mechanism or any other moving parts of the product at all times.
- If you have any concerns regarding your

health, consult a doctor before using this appliance.

- This is a non-professional appliance, designed for personal use and intended to provide a soothing massage to worn muscles. DO NOT use as a substitute for medical attention.
- Use of this product should be pleasant and comfortable. Should pain or discomfort result, discontinue use and consult your GP.
- Pregnant women, diabetics and individuals with pacemakers should consult a doctor before using this appliance. Not recommended for use by individuals with sensory deficiencies including diabetic neuropathy.
- DO NOT use on an infant, invalid or on a sleeping or unconscious person. DO NOT use on insensitive skin or on a person with poor blood circulation.
- This appliance should NEVER be used by any individual suffering from any physical ailment that would limit the user's capacity to operate the controls.
- NEVER use directly on swollen or inflamed areas or skin eruptions.
- DO NOT use before going to bed. The massage has a stimulating effect and can delay sleep.
- Do not use for longer than the recommended time.
- Only gentle force should be exerted against the massage mechanism in order to eliminate risk of injury.
- The appliance has a heated surface. Persons insensitive to heat must be careful when using the appliance.
- Failure to follow the above may result in the risk of fire or injury.

THREE YEAR GUARANTEE

FKA Brands Ltd guarantees this product from defect in material and workmanship for a period of 3 years from the date of purchase, except as noted below. This FKA Brands Ltd product guarantee does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorised accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of FKA Brands Ltd. This guarantee is effective only if the product is purchased and operated in the UK / EU. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and / or authorised, or repair of products damaged by these modifications is not covered under this guarantee. FKA Brands Ltd shall not be responsible for any type of incidental, consequential or special damages.

To obtain guarantee service on your product, return the product post-paid to your local service centre along with your dated sales receipt (as proof of purchase). Upon receipt, FKA Brands Ltd will repair or replace, as appropriate, your product and return it to you, post-paid. Guarantee is solely through HoMedics Service Centre. Service of this product by anyone other than the HoMedics Service Centre voids the guarantee. This guarantee does not affect your statutory rights.
