BATH SAFETY

HERCULES SERIES 300 LB. CAPACITY ADJUSTABLE GRAY BATH & SHOWER TRANSFER BENCH WITH BACK AND SIDE ARM

SKU:

DC-HY3510L-GRY-GG

UPC:

889142563662

- **BATH AND SHOWER TRANSFER BENCH:** Allows assisted living facility patients or anyone who has trouble with mobility to safely and comfortably slide their way in or out of the shower while in a seated position
- **NONSLIP RUBBER FEET:** Features nonslip rubber feet built into the ends of the sturdy frame prevent the bath chair from shifting for maximum security
- **EFFICIENT SEAT DESIGN:** Textured surface of the seat ensures that patients aren't going to slip off while in the shower, and the shower seat includes drainage holes that allow soapy water to drain through for a better sitting experience
- **MEDICAL GRADE TUB TRANSFER BENCH:** FDA approved to make for the perfect addition to medical facilities or at home use in any bathroom and installs on either side of the arm
- **DURABLE CONSTRUCTION:** Corrosion-resistant aluminum legs can be easily adjusted with several height options built in, and the bench can be sanitized to minimize buildup with a water-based cleaner
