- **31.5" ROUND GLASS DINING TABLE:** Whether you're hosting the holidays or need additional table space at your venue, this dining table will add a timeless elegance to your design while providing much needed extra table space
- **NARROW DESIGN:** Great for seating placement, cocktail hour, or for decorative purposes and has a narrow design that provides plenty of room for larger tables to be set up
- **CONTEMPORARY STYLE:** Boasts an elegant 10mm thick clear tempered glass tabletop and a round, chrome base to add a contemporary chic design to any home or establishment
- **CHROME BASE:** Base is out of the way when guests are socializing and is fitted with a protective plastic ring to help prevent your flooring surfaces from being scratched
- **PAIR WITH ADJUSTABLE BARSTOOLS:** Measures 31.5"W x 31.5"D x 29"H and can be used as a standalone option or with the use of similarly designed adjustable height barstools
