

Women's LINED GRAIN COWHIDE DRIVER

Style No. 98RLW

- Naturally water-repellent tan full grain cowhide back-of-hand provides long-lasting durability from wear & tear, while shielding the hand from punctures & abrasions
- Easy-On™** cuff with shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- Tan pieced leather hem incorporates an added piece of material, which creates a finished look, holds all layers of the glove together, & prevents fraying
- Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- Ergonomic keystone thumb design, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- High-performance signature **Heatkeep®** thermal insulation, laminated to a soft TR2 inner lining, provides superior heat-retention by trapping heat, repelling the cold, & wicking away moisture
- Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort

Also available in:

Unlined - 98W Men's - 98RL

GAINS FLEXIBILITY WITH CONTINUED WEAR!

FEATURES

Genuine Leather

Thermal

SUGGESTED USES

- ✓ Farm & Ranch
- ✓ Home Improvement & DIY
- ✓ Snow & Ice Removal

PERFORMANCE

- BETTER** ABRASION RESISTANCE
