

# G1 Facepiece with Twin Cartridge APR Adapter

Each configuration of NIOSH approved equipment is identified by a unique NIOSH approval number. The various configurations are detailed on the NIOSH Approval Label (matrix form). The Twin Cartridge APR Adapter is included as a component of these configurations. These components may be listed by individual part numbers or grouped by acceptable alternative assemblies.

Example:

The NIOSH Approval Label, for the G1 APR, lists models/drawings:

7-2910-1	Filter Adapter Assembly, G1 Facepiece	Adapter
7-3288-1	G1 Dual Cartridge APR Adapter	

Model/drawing 7-3288-1 details the Assembly Number.

Assembly Number	Insert	Carton	Label
10199720	10206422	10206423	10206424

The Assembly Numbers are listed under “View Part Numbers” on the webpage. Refer to the NIOSH Approval Label for a listing of approved components.
