## KATHRYN 5-FOOT GRANITE WHITE PLASTIC FOLDING TRAINING TABLE

### SKU:

RB-1860-GG

### UPC:

847254048705

- **5' RECTANGULAR FOLDING PLASTIC TABLE:** Provides functional space for training rooms or classrooms and comfortably seats up to 3 adults on one side while allowing each person a clear view of the board and instructor
- **VERSATILE USES:** Set up your products at convention centers, host a sip and paint party with friends, or use it to hand out travel brochures, information pamphlets, or test packets for students or trainees
- **DURABLE CONSTRUCTION:** 1.75" waterproof plastic tabletop and powder-coated locking legs withstand years of quality use in indoor or outdoor settings and can support up to 220 lbs. of static weight
- **PORTABLE DESIGN:** Folding legs allow for easy transportation and compact storage, and the legs feature non-marring floor caps on the bottom that protect your flooring surfaces
- **NO ASSEMBLY REQUIRED:** Measures 18"W x 60"D x 29"H for the perfect size to accommodate all your information papers, supplies, food and drinks, and more; no assembly required
