

PREMIUM GRAIN BUFFALO DRIVER

Style No. 1084

- 1 Distressed brown premium full grain buffalo protects the hand with excellent abrasion & puncture resistance, & provides superior durability
- 2 **Easy-On™** cuff with Shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- 3 Distressed brown pieced leather hem incorporates an added piece of material, which creates a finished look, holds all layers of the glove together, & prevents fraying
- 4 Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- 5 Ergonomic keystone thumb design, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- 6 Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort
- 7 Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability
