- Metal platform bed frame that will lend a stylish, on-trend look to your sleep space
- MODERN STYLING: A clean silhouette and subtle design aesthetic can be dressed up or down and works well in any décor while underbed storage keeps clutter out of sight; Universal design can be used with most headboards or as a standalone frame
- BENEFICIAL: Long-lasting solid steel construction with metal screw reinforcements holds up to 650 lbs. static weight capacity, plastic glides protect your floors from damage, assembles in less than 30 minutes with the included tools
- STORAGE SPACE: 12.5" clearance allows you to store flat storage bins, luggage and gives access for cleaning
- PRODUCT MEASUREMENTS: Overall Size: 53.5"W x 74.5"D x 14"H; Headboard Attachment Holes: .75" W x 5.25"H - 8.25"H from floor; Headboard Leg: 2.5"W
