- **ADIRONDACK ROCKING CHAIR:** Makes it easy to sit back, relax, and rock away the stresses of the day on your front porch, patio, deck, backyard, sunroom, balcony, or any indoor or outdoor area of your home
- **STYLISH POLYRESIN WOOD:** Designed to enhance your living spaces with the beauty of wood without the worry of rotting, peeling, splintering, chipping, or fading like real wood chairs
- **COMFORTABLE AND SUPPORTIVE:** Vertical lattice back design with a slanted seat allows you to recline comfortably, and the wide back and armrests relieve pressure from your neck and shoulders
- **DURABLE CONSTRUCTION:** All weather, UV-treated polystyrene withstands years of quality use in many environments and conditions and is strong enough to accommodate up to 350 lbs. in static weight
- **EASY TO CLEAN AND ASSEMBLE:** Simply wipe down chair with water and a neutral detergent to maintain beauty over the years; assembly takes less than 30 minutes per chair with the included materials
