- **MODERN COMPUTER DESK:** Brings convenience and versatility to any work area whether it's in your dorm room, home office, guest bedroom, or other area in your home or office
- **STYLISH DESIGN:** Boasts a contrasting silver perforated design frame and smooth black laminate shelving to enhance any workspace with modern style
- **TOP AND BOTTOM SHELVES:** Raised top shelf provides the perfect space for your monitor or keepsakes while a lower bottom storage shelf is ideal for your hard-drive and other office supplies, making it easy to free up space on the surface
- **HIGH-QUALITY CONSTRUCTION:** Durable laminate shelves and powder-coated steel frame withstand years of quality use, and protective, self-leveling floor glides prevent the desk from wobbling on uneven floor surfaces
- **COMPACT YET SPACIOUS:** Measures 28"W x 23.5"D x 33"H overall with a 28"W x 14"D desk top, 28"W x 8"D raised monitor platform, and 24.50"W x 9.5"D bottom shelf size
