Category: Swing
Product Name: WTP Milestone swing
Package Designer: Naren B
Product Manager: Candice Perscha
Engineer: Alex Dornen
Languages: Languages on Package 3/7
Dimensions: see die line

There are two color bars on this proof and in the art file. One to be used with X-rite II Pro Spectrophotometer. The other can be used with most other spectrophotometers. Printers must register one of the two color bars all the way across the width (right edge) of the press sheets on sample runs and production runs. Failure to comply will result in the remaining of film and/or plates at your cost. 說明書以及設計文件包含了兩種色條。一種適用於X-rite II Pro 分光光度計。另一種適用於其他大部分的分光光度計。在打樣或量產時，色條必須橫跨其中一種色帶並重複添加直到覆蓋整個色條的寬度（右口邊）。沒有按照上述要求導致量產出貨，出版的費用將由印刷廠承擔。
