†as an OTC brand in the Children's Cough/Cold category (AlphaImpactRxProVoice Survey)

When your little one is feeling under the weather, treat them with a medication that helps provide relief from multiple cold and flu symptoms. Our Mucinex Children's FreeFrom products treat cold & flu symptoms to help your child recuperate and get back on track. Best of all, these products were specially formulated to be free from unwanted additives such as Artificial Flavors, Artificial Colors or Dyes, Alcohol and Sugar.

Mucinex Children's FreeFrom Multi-Symptom Cold, Flu & Sore Throat (Daytime) Liquid and Multi-Symptom Cold & Flu Nighttime Liquid are both made with elderberry and cherry natural flavors formulated specifically for children 6+ years of age.
