## Frequently Asked Questions

**When Will My Capsules Expire?**

On the back side of your Neuriva Original bottle you'll find the letters "EXP" (short for expiration). The date printed there indicates when your product will expire.

**How Long Before I Feel The Product Working?**

With most supplements, it can take 30 days or longer to truly assess your body's interaction with the ingredients in a product.

**How Many Capsules Can I Have Per Day?**

Neuriva Original Capsules are intended to be used once daily and we do not recommend you exceed the serving size (1 capsule).
