- **SEAMLESS DESIGN** Exclusive premium TopGuard HPL wrap delivers a continuous marble-look finish with no visible seams preventing chipping and peeling designed to handle spills and scuffs while maintaining a professional finish
- **COMMERCIAL GRADE DURABILITY:** Built with High Pressure Laminate (HPL) and a solid 0.7 hardboard core providing exceptional screw-holding capacity for long-term structural stability that holds up to 300 lbs. static weight
- **ALL-WEATHER:** Heat, moisture, impact, and UV resistant construction withstands the elements when used outdoors and enables year-round use in milder climates
- **VERSATILE USE AND EASY CARE:** Ships with mounting hardware for safe installation on most commercial indoor outdoor table bases (not included) and wipes clean quickly with a damp cloth and mild non abrasive cleaner
- **PRODUCT MEASUREMENTS:** 23.5"W x 23.5"D x 1.5"H
