with CleanColor Technology

Fresh has just taken Wave 3D — the world’s No. 1 selling urinal screen — and made it better!

Virtually eliminates urine splashback

Changes color from dark to light when urine hits it, encouraging better aim.

Improves restroom appearance & customer experience

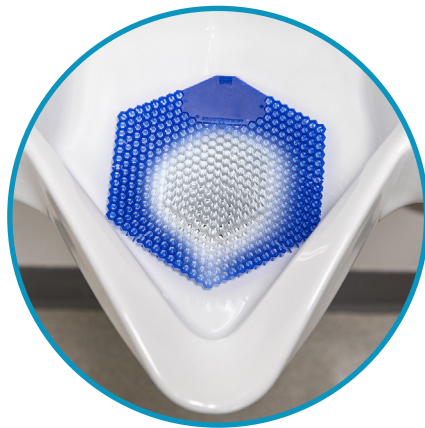

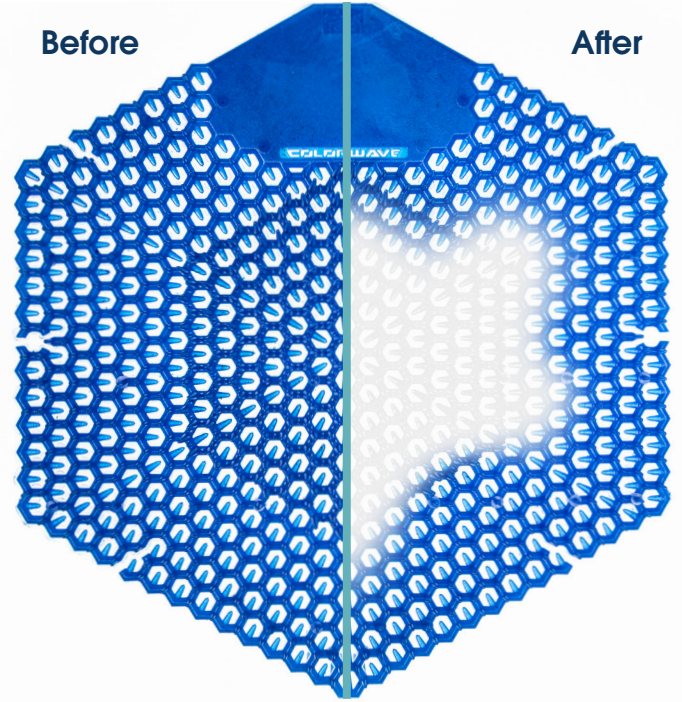

Patented, long protrusions break up the urine stream so clothes, floors, and walls stay cleaner.

Keeps restrooms smelling fresh longer

2-3x more fragrance than any other similarly sized screen for 30 days of freshness.

Improved sustainability

More effective than competitors while using less plastic.
